## **The Renaissance Pointe YMCA Arts Academy**

The Renaissance Pointe YMCA and Unity Performing Arts Foundation (UPAF) have recently united, through a partnership, to offer our community an incredible opportunity. The Renaissance Pointe YMCA Arts Academy will be offering arts education classes in the areas of choral music, creative writing, and instrumental instruction.

All arts education classes and programs will be managed by UPAF. The Renaissance Pointe YMCA Arts Academy's choral program is now home to the World Champion Voices of Unity Youth Choir.

For more information or to sign up today, contact Ebony Young at the Renaissance Pointe YMCA at 260.447.4567 or Jordan Applegate at UPAF, 260.481.6719. Through the YMCA, no one is turned away for the inability to pay. Scholarship assistance is available.
