

- VERSE 1- SOLOIST 1** I remember the moment, I remember the pain
I was only a girl, But I grew up that day.
Tears were falling, I know You saw me.
- VERSE 1b- SOLOIST 1** Hiding there in my bedroom, (duet) So alone
I was doing my best, Trying to be strong
No one to (duet) turn to, That's when I met You.
- CHORUS 1** All this time, From the first tear cry
To today's sunrise, And every single moment between
You were there, You were always there
It was You and I, You've been walking with me all this time
- VERSE 2- Soloist 2** Ever since that day, it's been clear to me
That no matter what comes, You will never leave.
I know You're for me, And You're restoring.
- VERSE 2b- Soloist** (duet) Every heartache and failure, Every broken dream.
You're the God who sees, The God who rescued me
(duet) This is my story, This is my story
- CHORUS 2** All this time, From the first tear cry
To today's sunrise, And every single moment between
You were there, You were always there
It was You and I, You've been walking with me all this time
- BRIDGE** I hear these people asking me , How do I know what I believe?
Well I'm not the same me, And I saw the proof I need
I felt Love I felt Your grace, You stole my heart that day
You've been walking with me all this time
- CHORUS 3** All this time, From the first tear cry
To today's sunrise, And every single moment between
You were there, You were always there
It was You and I, You've been walking with me all this time
